

STATEMENT OF PURPOSE

RS23135

This is the FY 2015 appropriation to the Division of Professional-Technical Education in the amount of \$62,954,000. This appropriation provides for increased cost of benefits, replacement items, a reduction for statewide cost allocation, and the network billing proposal for the Department of Administration. Additionally, it provides a non-discretionary statutory adjustment for enrollment workload increases. The budget provides for the equivalent of a 2% change in employee compensation (1% ongoing and 1% one-time). This budget also includes two line items. Line item 1 provides 6 full-time equivalent positions and \$1,334,600 for the advanced manufacturing initiative. Of this amount, the six FTP would be divided equally among the six technical colleges, \$416,500 would be ongoing for salaries and benefits, \$169,200 would be one-time for operating expenditures, and \$748,900 would be one-time for capital outlay. This funding is to be allocated as follows: College of Southern Idaho's Food Processing Technology Program, \$298,900; College of Western Idaho's Advanced Manufacturing Program, \$235,000; Eastern Idaho Technical College's Welding Fabrication and Advanced Manufacturing Technologies, \$300,800; Idaho State University's Advanced Manufacturing Technology Program, \$310,100; Lewis-Clark State College's Electronic Engineering Technology Program, \$126,800; and North Idaho College's Advanced Manufacturing Aerospace Instruction Program, \$63,000. Line item 2 provides \$756,400 to increase PTE's secondary schools added-cost unit values. Specifically, the Agriculture Science and Technology Programs and the Agriculture Science/Mechanics Programs unit values are directed be increased from \$10,260 to \$15,000 and all other programs at the high school level will see a 5% increase in their unit cost values. Overall, this budget is a 7.2% increase above the FY 2014 appropriation.
